Photo Number	Description
1	Hazardous waste storage shed.
2A, 2B, 2c	Panoramic view looking northwesterly from Building 67. Hazardous waste storage shed is in background and center of photo 2A. The eastern property line is at the right side of photo 2C. The northern landfill is shown in the background of photos 2B and 2C.
3	Northern view of the landfill from the former Building 5. Tennis court present, wooden pallets and tractor trailers. The photo shows deteriorated pavement and fly ash storage in front of tennis court.
4	Northern view of landfill from the former Building 5. Tennis court to the left edge, pallets to the right. The aboveground storage tank (AST) shows poorly constructed containment berm and broken nozzle.
5A, 5B, 5C, 5D	Panoramic view from the top of the landfill looking south to the facility. Photos show the cap is retaining rainwater and the AST.
6	Baghouse - Building 67.
7	Roadway between Building 67 (right) and Building 73 (left).
8	Boiler and view to the south. Agway is in the background.
9	View looking southwest down East Stiegle Street from railroad tracks (foreground).
10A, 10B	Chiques Creek. Photo 10A shows Well No. 1 and office Building 77. Photo 10B is a southern view from East Stiegle Street. Building 2 is to the left, the retaining wall contains discharge points 002, 003 and 012. To the right are the horizontal ASTs in background.
11	View looking north at Buildings 56 and 70. In the foreground is a drainage ditch to Doe Run Creek just prior to Sampling Point 004. The intersection is Township and Hosetter Roads.
12A, 12B, 12C	Photo 12A is a view to the southeast. The eastern property fence line is to the left, Building 74 to the right. Photo 12B is a closer view of the soil stains, ASTs and discharges. Note pump on ground in center of photo 12C. Photo 12C shows pump and soil stains behind Building 74 and storage pit. This pit reportedly contains compressor room oils and water. This is pumped via hose to sewer near blue shed shown on 12B.
13A, 13B, 13C	A northerly panoramic view of the Manheim facility taken south of the facility off of Route 72.
